Registration is Simple:

- Go to RepairLinkShop.com to start.
- About midway down, click on the 'Shops Register Now' link.
- You will need to complete the 'Company Information' fields, 'Primary Contact/Admin' fields, 'Create Login' fields, and the 'Registration Submission' fields.
- When fields are all filled, click on the 'Complete Registration' link at the bottom of the page.
- You can then click on the 'Begin' link.

Add Selking International As Your Dealer:

- You will need to click on the 'My Dealers' field. A drop down should appear, pick 'Add Dealers' option. The 'Dealer Search' page will appear.
- In the 'Search for Dealers Within' dropdown, we suggest you pick the 250-mile radius.
- In the 'Select OEM' field select International/IC Bus from the dropdown.
- You will want to type Selking in the 'Dealer' text box.
- Once fields are filled, select the blue 'Start Search' box. A list of Selking dealers will display in the 'Dealer Search Results' section.
- Click the checkboxes under the 'Add' column to select the dealers you want to do business with.
- Select the blue 'Add Selected Dealers' box when you have completed your selections.
- A confirmation notification will display at the top of the page to let you know the dealers have been successfully added.
